

“Awesome resource! I was amazed to get personalized letters asking questions and offering more information.” **INDIA**

“You were a light in a situation of uncertainty and pain.”  
**COLOMBIA**

“JTC helped us teach our son language and listening. It gave us concrete tools that we did not readily find in our community.”  
**USA**

**WEB-BASED MULTIMEDIA MATERIALS**

Watch, practice, read and download family friendly ideas, child learning activities, and inspiring stories about babies and preschoolers with hearing loss. Topics include:

- Exploring listening
- Building language
- Developing speech
- Encouraging communication
- Understanding hearing loss
- Recognizing family concerns
- Partnering with service providers

**PARENT DISTANCE EDUCATION**

Choose specific topics, detailed guides, or self-paced courses. Follow suggestions to promote language learning at each stage of your child’s development.

- Baby milestones
- Communication activities
- Preschool concepts
- Daily routine activities
- Reading readiness hints
- Vocal play examples
- Sound awareness tips
- Listening device checks
- Spoken language ideas
- Online video examples

Course materials designed for parents with children age 5 or younger, are available online and by mail, in English and Spanish, at no charge.

Parents enrolled in courses can use interactive report forms to receive individualized replies from experienced educators.

**INTERNATIONAL SUMMER SESSIONS**

Join an intensive, multi-week, onsite, educational session for parents of young children who are deaf or hard of hearing. Visit [JTC.ORG/SUMMER](http://JTC.ORG/SUMMER) for more information on the application process, schedules and fees for this opportunity offered at JTC’s main Los Angeles campus.
